

REMARKS

This paper is being filed simultaneously with a request to begin National Examination Procedures under 35 U.S.C. 371 of International Patent Application No. PCT/US2005/002722 filed on January 28, 2005. Applicant respectfully requests entry of the present amendment prior to examination of the requested national application on its merits and prior to calculation of the filing fees for the requested national application. No new matter has been added by this Amendment.

Respectfully submitted,
